Match Report

Another scorcher greeted us at Granville Park and again we lost the toss, however AKA opted to bowl and it we all searched for the shade as the openers braved the heat. A solid start from Frasier (39 ret) and Corey (14) set the innings up. Ben (44) and Matthew (20 ret) again impressed and ensured a large total. Frasier batted superbly in the heat and retired after 2 hours excellent stroke play. Shaun Madden (10) and Shaun Mc (14) also looked in good form. We finished the day at 5 -193. A pleasing aspect of the day was the fact some of the boys retired in an attempt to give everyone a bat. Unfortunately, day 2 was washed out and we finished with our third draw of the season due to weather. A special mention to the boys from AKA Sports who were under manned and never gave up in the heat. It was a great effort.

Match Report

Our opposition were 1 for 23 chasing a small total of 87 so they were entitled to see themselves as favourites to win this match. However, we were keen to get on and play as in these sorts of games you only need a wicket or two, some tight bowling and fielding and they can go right down to the wire. Anyway, we will never know as the rain gods decided to send us nearly 2 weeks worth of rain after a week of 40 plus degrees heat.

Our batting effort the first week was not very good after winning the toss and being pleased to be batting in the oppressive conditions. After a good start by Liam and Varun we went from 0 for 29 to 3 for 32, then from 3 for 52 to all out 87. A disappointing effort as the openers had done their job and had seen off the best bowlers. We mostly lost our wickets to poor shots off some pretty ordinary balls. Full tosses that should have been hit for fours ended up down the throats of waiting fielders.

Varun was the mainstay of our innings with a return to form and a very determined 22 in which he nearly carried his bat through to the end of our innings. Varun's innings and a very smart stumping by Daniel Beattie off Patrick's bowling were the only highlights of the day.

Final Score - Kings Langley 87 drew with Rouse Hill 1 for 23.

Thanks to Michael Beattie for scoring this match.

Match Report

On a very hot day we unfortunately lost the toss and were asked to bowl. Joseph was captain and did a great job setting the field. We had Baulkham Hills in early trouble at 6/38 but a good partnership for the 7th wicket of 62 and a couple of other partnerships at the end saw them finish at 10/141. Fletcher turned in an honour roll performance taking 5/15 while Joseph took 3/7, Hadyn 1/16 and Kush 1/11. Catches were taken by Lucas, Luv, Ali, Kush and Anoj. On a very hot day everybody did a great job in the field. We did concede too many wides and no balls but all in all a great effort.

We commenced our innings at 11.25 on day 1 and finished at 1/21 at the close of play. Week 2 saw rain and the prospect of play was not great on arrival at the field but at 8.10 the rain cleared and after a bit of time for the pitch to dry out play commenced at 9.10 and there were no further interruptions. We finished at 7/143, a well earned 1st innings win. Lucas top scored with 25, while Anoj contributed 22. Special mention to Jake and Ali who batted well and was part of valuable partnerships for the 2nd and 6th wickets. All batsmen showed great fight and determination, well done lads.

A fabulous team effort bringing up win number 2 for the year

Match Report

A good effort in scoring 184 against the front running team, in 40 deg temperature with 71 from Danny and 55 from Naren being the highlights. Unfortunately wet weather ruined the second days play.
