B/2 vs Hills Barbarians A

KLCC 0/0 drew Hills Barbarians A 6/265

Report:

After sending 3 players to A Grade, one at wedding, and one not turning up, we were to start with 9 players in the field. 'Rocket' Brown's Dad Paul then put his hand up and a white shirt and we had 10. With a depleted bowling line up things started in a flurry for Barbars. They were on 42 when the opener thought he found another boundary when Paul Brown (of allpeople) popped up, taking a great catch off, you guessed it, his son's bowling. Almost immediately Jeremy snared a sharp chance of Sean P's bowling and things looked up. However with a weakened bowling line up and being short in the field Barbars were headed for a big total.

Paul seemed to have the ball follow him and ran around all afternoon until finally injuring his leg. In Phil Farrugia's first game back he showed his leggies will cause a lot of batsmen trouble this season. The team also got some great help from 3 players from the B7As, Kartik, Jenahan, and an ever enthusiastic Gaj. Thanks guys.

Unfortunately Brendan Hutton also shattered his finger almost taking a brilliant catch and will be a loss while he's out. The team never gave up and although Barbars amassed 6/265 the fact we kept trying did alot for the team spirit.

Rocket finished with 2/64 off 16 overs and bowled with good pace and control. Sean P, Jason and Phil Farrugia all took 1 wicket each.

With a big total we looking a good chase, however the rain meant there was no play on day 2.

Thanks to Paul Brown, and the guys from the B7As.

B/4 vs Guilford Hotel

KLCC 5/124 def Guilford Hotel 10/120

B/7A vs Baulkham Hills

KLCC 2/102 def Baulkham Hills 10/100

Report:

A good all round effort from all the boys kept Baulkham Hills down to a small score of 100. Bowling honours were shared around with Paul Giumelli getting 3/22, Quincy Titterton 2/0 off his 6 overs and Mat Mcleod 3/21. Paul "buy of the year" Giumelli quickly erased their score with 62 n.o and now only averages 170.00. Contributions from Anthony Kwok and Mat Mcleod ensured we had 1st innings points the 1st week before the rain spoilt our chances of an outright in the 2nd week.

C Grade vs Rouse Hill Rams

KLCC 2/147 def Rouse Hill Rams 10/128

Report:

Round 2 saw our first home game for the season at Golden Grove. Despite losing the toss, I wasn't unhappy to be bowling. We had a full squad of 13 and so, could rotate our fielders. Malcolm and Tyler started off bowling tightly, and after 8 overs it was 2/18 with one wicket each. When Michael Turner came into the attack, he soon made a difference. He bowled an excellent spell and finished with 4/14 from 7 overs (including 2 caught and bowled). The other bowlers also contributed and we kept Rouse Hill under pressure the whole day - it was really only the last wicket partnership of 37 when they maybe got away a little. Single wickets also for Daniel, Mitch and Jacob, who also got 2 catches.

Chasing 128 it was back to the under16 twos days of last year. Mitch and Ankit batted really well - they resisted the opening spell and were still together after one hour. Ankit trying to push it along was out for 30 after an opening partnership of 64. Captain Mal Pass came in next, as he would be away next week and hit a rapid fire 33. This was followed up by 5 overs of mayhem between Daniel and Mitch. Running for everything, they piled on 30 runs to finish the day on 2/147. Mitch made a fine unbeaten 42 while Daniel's cameo resulted in 15 runs. A great effort - all the first 4 batsmen will be away for the long weekend and we have already achieved 1st innings points. As it turned out, the second week was washed out, so it was still a good result for KL. Two out of two guys and it is fun to play with the youngsters.
