Match Report

What a win and what a brilliant team effort.

Day 1 saw the KL boys win the toss and bowl first in overcast conditions. Haydn and Matt (1-14) opened the bowling and quickly had AKA in trouble. Haydn with 4 for 2 was lethal hitting the stumps on 3 occasions. Ryan (2 for 1) and Connor (2 for 2) joined the party. Ryan continued his fine fielding form with another two catches.

KL then batted and dominated from the start. Ben (28) and Shaun Mc (28ret), Connor (30ret) led the way. More importantly the boys opted to retire to give other team members a bat. Ray (6), Paul (8) spent valuable time at the crease. KL declared at 6 - 152 at stumps on Day 1.

Bowling on Day 2 proved a little tougher with a much more committed AKA line up ready to put up a strong fight. A brilliant direct hit run out from Connor started the wickets. AKA fought hard but Shaun Mc with 5 for 2 ran through the middle order ably assisted by some great fielding and catching from Ben, Matthew and Haydn. AKA were finally dismissed for 108 with 10 minutes to spare. Haydn, Connor, Corey all chipped in with a wicket each.

A magnificent result from the team and their first ever outright win. The boys are still undefeated and really enjoying the success.

Result	KL Lost 1st Innings	Score	Kings Langley 7/125 Rouse Hill Rams 128

Match Report

This match started well for us with a score of 7/125 at the end of our batting 50 overs. However the following Saturday saw a nail biting finish with the Rams just beating us by 3 runs with 10/128 at the end of their 50 over's. We were also short players for this round and borrowed Luke Hogan.

The best results for us were in batting James M not out for 34 runs (his highest score so far) & Ethan with 15 runs. James & Ethan had a good partnership happening for 24 over's while in the bowling stats Liam did well with 3/17, Dylan B 1/12 and Prabjot 3/7. An excellent job by Michael for being wicketkeeper & keeping the batsmen under pressure. Also a great catch to Harry on the last ball of the last over in the outfield.

The boys played very well and their fielding was huge improvement to the previous rounds.

Thank you to Vel Habek for being the scorer and to all the parents for cheering the boys on in the nail biter finish. Thank you to Luke who played with our team.

Well done boys keep up the good work. I know we will get a win.

Result	KL Lost 1st Innings	Score	Kings Langley 53 Pendle Hill 7/223

Match Report

Pendle Hill batted first and scored 7-223 off 55 overs. The less, I say about this innings the better. Dropped catches bowling down leg side and players not staying in position allowed them to get this score. Tarunveer 1-6 off 4, Aryan 1-8 off 7, Dhruv 0-15 off 6 bowled well the rest went for around five an over. Shabum, Josiah, Jarryd, Samir and Dharmanand took a wicket while Tankaran and Aryan took a catch each.

Not expecting to get such a large score we set a goal to bat for as long as possible and take an outright out off play, this we did only scoring 53 but batting to after eleven. All players hung around for good periods of time but none better than Tyler who batted for over seventy minutes for his two runs. The boys played a lot better the second week, just need to do it over both weeks and a win is not far away.

Result	KL Won 1st Innings	Score	KL 7/196 Hills Barbarians 7/159
Honour Roll	Blake Belcastro 52no		

Match Report

We arrived at Masonic Balcombe Heights for our match against Hills Barbarians to find that the field had been "do-nutted" the night before by the local hooligans. Winning the toss for the first time this year we were keen to bat first to continue our confident start to the season. Hills Barbars were the runners up last year having tied the GF with the strong Baulkham Hills side and with 3 rep players we knew we had a tough match in store.

Nick Chymiak (23) and Daniel Pesavento (17) got us off to a great start of 49 with some good running and well struck shots. Even with the big outfield Daniel and Nick hit some scorching fours plus three well run threes. Against some very good swing and pace bowling these guys worked as a pair and applied themselves to the task with a lot of determination

At drinks we were 4/86 off 28 overs after the loss of a couple of quick wickets – things were in the balance. Our middle order was up to the challenge and pushed the score up to 7 for 196 off our 55 over's with a handy 25 coming off the last 3 over's contributed by Blake, Will and Nick Paton.

A fantastic controlled innings of 52 not out by Blake Belcastro required lots of running with only 3 fours on the big field. Congratulations Blake on your first HONOUR ROLL PERFORMANCE. You concentrated well throughout your innings and really deserved your success.

Daniel Beattie (19) and Will Reardon (21) also batted superbly in partnerships with Blake that stifled the Barbars fight back and had us in a strong position at the end of Day 1.

Hills Barbars applied themselves to the task of chasing our big total by keeping their wickets in hand and batting with determination. Both weeks of this game you could see why Hills did so well last season and had gone within a whisker of taking the title. They have some very good players and don't give up.

Overall our fielding and bowling effort was good despite a couple of lapses when we lost concentration for a period. Keeping the pressure on even while they were compiling a partnership of 115 for the second wicket meant that the run rate was slowly building until the point where they needed 6 per over. Holding our nerve and lifting in the field were keys to our victory.

Liam Gillies and Daniel B both came back with decisive and accurate spells of bowling. Daniel B finished with 3-16, Liam 1-12, Will 1-17. Patrick and Nathan also bowled tidy spells. 2 run outs while the run chase was on also helped our cause. These were combined efforts from Varun/Daniel B and Varun/Liam.

This match was of high quality especially in the batting department by both sides.

Final score: Kings Langley 7-196 beat Hills Barbarians 7-159 by 37 runs.

Fielding points : 3 Daniel B, 2 Nick C, 1 Varun

Special thanks to Divender for scoring this match.

Match Report

Aka won the toss and elected to bat. Some short and wide bowling combined with some untidy fielding saw them get off to a reasonable start. After morning drinks we tightened up our fielding and bowling dismissing AKA for 127. We started our run chase late on day 1 finally ending the days play on 1/27. Alex and Luke resumed day 2 with instructions to play aggressively with the hope of a declaration at drinks with a reasonable lead. This they did in fine fashion with Luke scoring a magnificent "ton" - his second of the season and Alex an aggressive 76. Jordan joined the party with a well played 33 not out when we called a close to the innings on 3/230 at drinks. A fantastic batting display.

AKA were asked to bat and were soon in deep trouble - 8/11 - after an unbelievable display of spin bowling by Mark (8-4-4-5) and Nikhil (8.1- 4- 5-9). Their tail wagged a little but failed to see the day out when they were dismissed with 10minutes play left.

A great win boys. Now for the big one - Baulko. Let's ensure we are well prepared for this one as they did beat us last year!!!!

Honour Roll	Japs Singh 87		

Match Report

Kellyville sent our Boys into bat with Pat & Diwan opening the innings. Pat was out playing a casual shot. Then Japs came to the crease & played a fantastic knock the partnership was 85 when Diwan was out for 38 this too was great score he is growing in confidence every week, well played Diwan. Mathew then came in & another partnership started to grow before Mathew payed a casual shot also, to get caught. Chris & Japs played some great attacking shots to keep the runs flowing before Japs on unlucky 87 was out. Their partnership was 76 & in quick time. Chris made 25 before getting caught behind again. Jason 27 played a great little cameo Then Luke 6 Brayden 8 & Kanav 6 keeping the runs flowing Dulan no 3 & Nathan no 3 also played well, so a total after day1 9/251 A wonderful batting display boys.

Then Kellyville started their run chase but with some great tight bowling the wickets tumbled. Mathew was the pick of the bowlers with 3/16 off 9 over's just fantastic, & we were amazed when the Opp. umpire gave Mathew 2 LBWs, but they were plumb. But he did miss a run out; the kid was out by miles. Other wicket takers were Chris 2/15 Dulan 2/17 Nathan 1/18 Japs 1/4 great bowling boys. The other bowlers tried hard & kept the opp. tied down. Today the fielding was great, catches taken & runs kept low. This was the best display of cricket I seen for a long while well done boys, see what hard practise does, thanks Gav. Also thank you to Jann for the BBQ both you & Wayne are just wonderful keep up the great work.

Match Report

KL won the toss and went in to bat with a good start with 0/20 after 4 over's. Marcus was then caught and bowled for 10 which then saw the team lose a few quick wickets and were in trouble at 8/85. Hayden & Jake settled the team and managed a partnership for the last wicket of 42 before Jake was bowled on 46, with the score at 143. At the end of the first days play Guildford Leagues were 8/67, giving Kings a good chance at an outright the following week. Best bowler Tim 2/23, Jake 2/23 Anthony 3/19

The second days play and Kings bowled Guildford Leagues out for 85. Kings went into bat looking for some quick runs to declare at tea break with 84 with Jake starring again with the bat on 40 not out. Kings Langley declared on 5/84 giving a lead of 142.

Guildford Leagues opening batsmen were hard to remove and finally caught by Anthony of the bowling of Josh. Kings tried hard for the outright but ran out of time with Guildford Leagues 7/113 at stumps. Some dropped catches earlier in the days play and the outright would have been there for the taking. Best bowlers were Josh 4/29 and Chris 3/4.

Three wins from three is a great start to the season. Well done Kings – let's keep the momentum going.

Match Report

They won the toss and decided to bat. After getting off to a good start and having them at 3/17, their middle order consolidated and put on a 45 run partnership - not through bad bowling or fielding, but just some strong players that we had trouble dismissing. By the end of the day we bowled them out for a total that we should hve been able to chase.

Day 2 saw us begin the run chase, slowly but positively. Unfortunately we didn't have any players at the top of the order who wanted to stay in for long and after getting ready to start a good innings, would choose a wrong shot and get out. Fortunately towards the end of our order Cameron and Nikhil came together and put on a good partnership of 37 that almost got us home. Some poor advice from the coach saw us not continue to chase with Matt and Shiv at the crease who could have got us a bit closer.

A good effort in all, however when batting we need to put in a lot more concentration into our shot selection to stay in longer and to build those bigger innings'.
