<b><u>Match Report</u></b>			
Unfortunately the weather prevented us from batting this week, but we were looking good after restricting Kellyville to an average of 5.7 with a great all round bowling and fielding performance. Highlights were Tyson's outfield catch (one of four excellent catches this week), and the Council mowing the grass on our home ground for the first time this season.

<b><u>Match Report</u></b>			
Lost the toss again (we need to work on that), and were asked to field, which we did well, with some sharp fielding and accurate bowling keeping their total to 93 for the loss of seven wickets. Best bowling figures this week go to; Todd 2-15, Bailey 1-9 and Blake 1-14, with an excellent caught and bowled. Week two, good weather for ducks!! Hopefully the weather will be kinder next round. It's a shame because we had a good chance to win this match.

**Match Report**

Winston Hills won the toss and decided to bowl on a warm morning. KL started well with Connor promoted to the top of the order and smashing a quick fire 14, Frasier (6) consolidated and played the shot of the season caressing a half volley through the covers for a boundary. A couple of more quick wickets and the match was in the balance at 4 - 41. Captain Haydn (15) and vice captain Matthew (27) joined forces to put together an excellent 48 run partnership. Their aggressive running and stroke play was a pleasure to watch. However two quick wickets and at 6-88 the match was back in the balance. Having a strong lower order proved a plus for KL as Ryan (21), Scrimmy (6) and Ray (18n.o) and Corey (9n.o) guided KL to a healthy 9 for 164 at stumps.

Week 2 saw us arrive and the skies were heavy. The rain stopped, the pitch was cleaned and the match on the adjacent ground commenced. However, Winston Hills decided it was too wet to play and the match fizzled out to a draw.

**Match Report**

Our first Saturday started out well with a great partnership between Harry and Dilan S for 15 overs scoring 57 runs between them including some sundries. Our next batsmen in was Dylan B who with Dilan S took us right through to 53 overs with an impressive score at the end with 196 in total (including sundries). Dilan S scored 34 runs of the bat whilst Dylan B scored 41 runs. Well done to all 3 of these boys for putting us in great shape for the following Saturday.

Last Saturday we fielded thinking that we would be able to beat Baulkham Hills easily but we were in for a shock. The weather was not in our favour and we were a player short so we had to battle for every wicket. Michael our wicket keeper did another great job and was unlucky on a couple of occasions.

Our bowling results were Liam 1/29, Dilan S 1/18, Harry 2/25, and Prabjot 1/25 after 7 overs with James 0/15, Dylan B 1/20, Ethan 0/17, and Simon 1/24 after 6 overs and Ashley 0/5 for 1. We did do some good stops in the field though we need to practice our catches a lot more at training and also to reduce the score of our favourite extra player "Mr Sundries" but the boys were enthusiastic despite the weather conditions. I just hope all the mums have stocked up on extra Napisan this week.

Thanks to Greg Morgan for being our scorer for this round.

### Match Report

Against competition leaders Rouse Hill we were never really in the game after being 6 for 19 off 13 overs. It was a gutsy effort by our lower order to scramble our way to 8 for 95 and bat out all of our 55 overs. However, without wickets in hand it was difficult to lift the scoring rate when the bowling pressure eased.

Will Reardon led the comeback with 22 (5 fours). Nick Paton concentrated really well for his 20 runs. Both were dismissed just as they were about to cash in (especially Nick). Liam's 10 not out was a very determined innings being at the crease for 33 overs. Going in at 7 for 48 Liam, with his partners, enabled us to double our score to finish at 8/95. Nathan (7 not out) also scored valuable runs in the last few overs. Simreet didn't get to the crease but was part of this effort also sweating it out on the sideline.

Our score of 95 was simply not enough against the powerful batting of Rouse Hill who eventually finished with 221 all out with a hard hitting century from their No 4 (19 fours). Our bowling fed their favourite shots by being too short and down the leg side. Fielding misses and some over throws led to an untidy display and many giveaways. You don't have perfect "20/20" vision on a Saturday if you are up late on Friday night watching 20/20 cricket on TV.

Some other lessons from this game are that we need to see out the danger bowlers opening spell by playing with a straight bat. Pressure must be built up and maintained on their batsmen by our bowling and fielding.

The positive we get from this game was our determined fight back to bat out our overs when things were not looking very good at 6 for 19.

Bowling honours went to Liam 2 for 17, Patrick 2 for 23 and Joshua Bain 2 for 28 in his comeback match. Special welcome to Joshua who has joined our team after a stint on the golf tour.

Other wicket takers were Will, Nick C and Nick P. Some of the other bowling figures are only available on request!!!

Catches were taken by Will (2), Nathan and Nick P.

Final Score Rouse Hill 221 beat KL 95 on first innings.

Thanks to Graham Waller for scoring and Michael Beattie for umpiring this match.

**Match Report**

A solid batting display saw KL finish all out for 115 from 53.3 overs on day 1. All batsmen continue to show improvement in both technique and determination. The loss of an early wicket was followed by a solid partnership of 40 for the second wicket between Lucas and Jake. Joseph top scored with 26 while Fletcher scored 22, the pair putting on a partnership of 36 for the sixth wicket. Anoj (10) put on some quick runs towards the end of the innings. Rain prevented us from starting our bowling on day 1 and again delayed the start of play on day 2. When we finally took the field Kush took 2 wickets from 2 balls in his first over to put the opposition under immediate pressure. Then another rain delay followed by another 15 minutes of play and another rain delay. In the end the continuing rain caused the abandonment of play for the day with the result being a draw. We only managed to get 7.5 overs in but had our opposition in trouble at 3/19. Wicket takers were Kush 2/5 (2 overs) and Lucas 1/6 (2 overs) Jake took a good catch while Haydn made a great ground fielding effort at mid on which saved 4 runs.

Once again Chris lost the toss & Guildford batted first. Mathew & Chris opened the bowling attack & what a great display of bowling especially Mathew His first over 2 wicket maiden Chris picked up a wicket in the next over, Guildford 3/4. Mathew finished with figures 5/8 of 5 overs magnificent! He kept the ball up to the batsman & they had no idea how to play him Guildford finished all out 38 with Nathan 2/2 of 4 & Luke 2/9 A great bowling display boys Patrick & Diwan opened our innings Diwan missed out this time so Patrick & Japs started slowly but after drinks the big hitting followed they put on 73 when Patrick was out for 29 another great innings from the VC Then Kanav came to the crease & can he hit the ball hard for a quick fire 24 but that man again Japs played a superb knock 70no just fantastic I think is average is around 70 @ the moment & heading up. Gav declared & sent them in for 1/2 hr to try for the outright @ stumps 2/35 the 2nd day the rain arrived so no play but we won on 1st innings Well played Team.

**Match Report**

Kings Langley won the toss and elected to bat, banking on a couple of decent partnerships to see the overs out as we only had 8 players for the first week and 10 the second. The plan was successful as we posted 230 runs with two very impressive partnerships. Even with the threat of intermittent rain the second week, things were looking good with a number of wickets giving the team the confidence for a comfortable win. However, a couple of dropped catches and some less than active efforts in the field saw a few of the Hills batsmen lift and chalk up some good scores. It got very exciting in the end with one wicket needed off the last two overs but also only a handful of runs. The excitement peaked when the second last delivery of the second last over saw a great ball slide past the batsman's bat to clip the outside of the off stump. Unfortunately, the stubborn little bail failed to play its part and decided to remain high and mighty. The players were dumbfounded and the Hills scored the necessary winning runs on the next ball. Unlucky kids, great batting effort but more fielding training on the way.

**Match Report**

We lost the toss and was asked to bat first on the first day, we opened with Aaron and Daniel (1) who hung in there for 10 overs to see off their opening bowlers, Aaron was then joined for a 40 run partnership by Matthew (16) who played some good shots on both sides of the wicket, Aaron went on to make 48 runs before he was caught very low down by their gully fielder, unfortunately we did not continue the good start from the earlier batsman to be all out for 116 other contributors were Uveshan (3), Scott (4), Hayden (5), Jarrod (4), Lachlan (2) Andrew (1no), and Sidd who made a quick 8 runs coming in at no 6, we then had half an hour to make some inroads into their batting and a wicket came in the fourth over by Matthew who bowled their opener, then the rain shower got too heavy for the umpires who called it a day at 1 for 8.

Day 2 started with light rain again, but after 30 minutes of cleaning up we started, it took Matthew only 2 overs to strike twice, first one caught by Jarrod and the second one leg before, Matthew finished his spell with the figures of 4 for 12, Aaron was bowling within his self but was still unlucky not to get any wickets 0-23, Lachlan and David came on, it took them a little while to get their rhythm going with Lachlan getting a wicket in his second over to finish with 2 for 14, David got 2 for 14 also, Uveshan finished the game with 3 catches, there was also a very good run out done by the team as they ran out the oppositions last batting hope, Baulkham Hills were then all out for 65 runs, I am sorry for the rest of the team who did not get to bowl, but unfortunately that happens when your main bowlers do their job and take wickets in their first spells, but let's enjoy our first win for this season and I know there will be more before the season finishes, well done to all the team as it was a team effort that got us there in the end.

**Match Report**

Asked to bat on the first morning KL recovered from 4/48 to post 6/214 at end of days play. Abhi Sharma 55 and Mark Bartolillo 117no were responsible for posting a 5th wicket stand of 142 runs which set us up nicely for day 2. This was mark's 1st century and he displayed great maturity in his innings. I was surprised when we arrived at the ground on the 2nd day that there was a chance of playing, as we had heavy rain overnight and it was still raining. After a late start we had Wenty in trouble at 3/18 and eventually bowled them out for 141. Good bowling performances by Stephen Jenkins 4/13 and Brad Smith 2/33. This win now puts us on top of the competition as the only undefeated team
