Match Report

Hills defeated us heavily in the first round and appeared confident in repeating the feat. However a fantastic direct hit run out from Josh O and great opening bowling from Michael (2/4 off 4) and Haydon (1/1 off 4) had them reeling at 4/7 off 8 overs. We'd agreed to play a 31 over one-dayer as a result of the washout last week and things were looking good for us.

Unfortunately, the match was abandoned due to the weather after 14.3 overs with the Hills score at 4/20. We were certainly keen to carry on if we could, but the rain was heavy and steady, and (quietly) I think Hills were very happy with the reprieve!

Well done boys! Undefeated for 4 rounds now and looking the better team each time we play. Most improved will be a tough decision this year.

Match Report

After a wash out the first week we turned up at Second Ponds hopeful of some cricket in our one day 31 over match against the Rouse Hill Rams. This was not looking too likely given the rain overnight and morning clouds and drizzle. However, the ground had coped well with the week of rain and as there was no rain falling the match got under way on time. The tactics were to send them in, get the game progressed as quickly as possible and if we have a rain delay we would have the advantage of at least knowing what our run rate target was. This is now down to the serious end of the season and a win crucial to our semi final chances particularly if other games were washed out.

Liam got the game moving immediately with his deadly left arm cutters demolishing the stumps of the Rams batsmen in each of his first 3 overs with some other near misses and catches not quite getting the rewards. Patrick came on early with the aim of getting the batsmen down the wicket and nearly had immediate success against the top Rams player as his mishit just failed to go to hand. Good control of the wet ball by Patrick saw Varun effect a great stumping next over to have the Rams 4 for 22 and in serious trouble.

Thereafter the Rams were barely able to survive but reached 4 for 48 off 19 overs when rain came down. No further play was possible which was unfortunate as we had made a very positive statement to our opposition with our positive and aggressive play. While a few catches went through the slips area our ground fielding was exceptional with Ethan (3), Daniel (2) and Robert (1) taking the fielding points for their support of the bowlers. Well done guys.

Even though we did not get the full points we did get something out of the game. Fantastic spells of bowling by Liam with 3-8 off 6 devastating overs. Patrick was the other wicket-taker with 1-11 off 4 overs.

Thanks to Anthony Dumbrell our scorer.

Final score: Kings Langley drew with Rouse Hill Rams 4-48.
