#### Match Report

On a very wet Saturday, we arrived at Ted Burge expecting the ground to be under water. To our surprise though the field had dried fairly well, and play was to commence on time. We won the toss and decided to have a field. Rocket and Tets opened the bowling, Rocket picked up the first wicket with the score on 9, and finished with 1/18 off four. Tetley bowled tight from the other end and continually beat the outside edge of the batsmen. Freney was introduced into the attack, and with immediate results, taking 2 wickets in his 1st over and another in his 2nd over to have figures of 3-0 off 3 overs. With Wenty at 4-28, Tets continued to tie the batsmen down and was eventually rewarded with his first wicket. The heavens opened and halted play, Wenty in strife finishing the day at 5/38 from 26 overs. Tets 1/15 off 13 overs, Freney 3/3 off 9.

So with the match becoming a 48 over a side game, we had 20 overs left to bowl on day 2. Tets picked up from where he left off, picking up a wicket in the first over to have Wenty 6/42. A couple of partnerships saw Wenty reach 99 before Tetley and Freney cleaned up the tail to have Wenty all out for 109 in 46 overs. Freney finishing with 5/39 from 20overs, Tets 4/49 from 23 overs. Well bowled! Special note to Paul who snared 4 catches, great fielding!

With a small chase, and all the other games being washed out, we were keen to go out there and try to take 1st innings points. Opening with Terence and Finchie, we lost Terence early before Paul joined Finch to begin the run chase. The pair took the score to 22 before Finch was trapped in front for 7. A mini-collapse saw Brent and Matt fall without scoring and KL in a bit of strife at 4/28. Dave joined Paul and began to settle until the rain set in with the score at 4/34. The match ending in a draw, Paul finishing with 19no, Dave 3no.

**Match Report**

With the first week abandoned due to rain we were again confronted with damp conditions. Pareson Reserve is a pretty well drained ground and so we were able to start. We were sent into bat and Mickey and Mitch got us off to a cautious start. It was slow going with a heavy outfield. Richard managed a six and at the halfway mark KL was 4/34. Pendle Hill kept it pretty tight but we were able to complete our 40 overs at 8/91. Naren top scored with 16 while Mal, Daniel and Esty all got 10. Amidst darkening skies, Pendo started energetically but offered us chances. We dropped several chances and had some balls just drop out of reach. At 0/46 things were looking grim but then Zane making his comeback from his broken thumb took 3 wickets in one over! Catches to Daniel and 2 in two balls to Naren. When Zane got a 4th wicket we were right back in the game. At the halfway mark Pendle Hill was 4/56 but it was raining. The umpires said we could not go back on as the rain got heavier and then the decision was made to call it off. With only 20 overs bowled, this meant the game was technically a draw. We were probably lucky to get away with this but we survived. We will need to lift for the final 2 match's guys to ensure we can make the semis. Zane with 4/13 off 6 overs had the figures. Let's fire up for AKA next week.
