<p>Our Second win in a row and the boys loved it. First week saw us lose the toss and on a hot morning we were asked to bowl. For some reason Lachlan thought the toss was the best out of 10. In the field the boys bowled well with Iki 0/3, Anknor 2/7, Matty 0/11, Lachy 1/1, Ben 2/5, Jayden Paceman Bruce 2/3, Jayden D 1/1, Ahmed 1/6, Heath can I have a break 1/13, Aiden 0/12, Mitchell 1/8. Dheeraj kept very well behind the stumps and stop many hard balls and numerous byes. The boys fielding and bowling is improving every week and you can tell this by the way they train and listen. On the second week with the bat there was many outstanding shots and very good running between the wickets. There was a total of 6 fours scored and that was a great effort. Ben 16 Runs, Jayden B 7 Runs, Jayden D 5 Runs, Ahmed 7Runs, Aiknoor 13 Runs, Dheeraj 10 Runs. Matt 18 Runs, Aiden 6 Runs, Iki 20 Runs, Heath 11 Runs, Mitchell 15 Runs, Lachy 19 Runs. *****GREAT EFFORT BOYS*****</p>

<p>What a close match this was. Having lost the toss and been sent in to bat (I know we couldn't figure it out either) we faced some of the tightest bowling yet. With Blake getting 18, Nathan F, Daniel, Matthew & Tyson all getting 7 and some good contributions from the rest of the team we ended up with a total of 70 runs and an average of 7.7. A tough target to defend for the second week.</p> <p>The second week required some excellent bowling from our guys to defend out average. All our bowlers really tried hard this week and pulled it out of the hat for us. Lachlan (0-3 from 4), Ronit (0-16 from 3), Tyson (0-6 from 3), Matthew (2-13 from 4), Shivansh (1-4 from 3), Freja (1-6 from 3), Daniel (0-8 from 4), Nathan F (1-5 from 3), Blake (2-4 from 3), Ryan (0-6 from 3) and Liam (3-7 from 3). We managed to restrict them to an average of 7.2!</p> <p>The team BBQ at the Fryer house on Saturday evening was another winner, however the team need to learn to win when we don't have a celebration planned that evening.</p>

<p>WEEK ONE: KL lost the toss and were sent in to bat, after a fairly good start we were bowled out in the 39th over, top scorer was Dylan B with 19, supported by Dylan G with 8 and Gabriel and Lachlan both with 7. Definitely not our best batting performance, losing 6 wickets caught (so much for our 'keep it on the ground' practice at training!). We made up for our losses with some good bowling and fielding to have them 5/24 at stumps on day 1!!</p> <p>WEEK TWO: we needed 5 wickets and BH needed 71 runs, another good effort in the field saw us take the last wicket with ONE run to spare. best bowling this week; Nathan 3/17, Ethan 2/10(including an excellent caught and bowled) and Gabriel 2/19 also worthy of a mention were Joe and Gurnoor both with 1/7. A great fielding effort including catches by Dylan B (2), Lachlan, Ethan and Dylan M gave us our first win for the season our batting still needs some work, well done boys!!</p> <p>-Sarah Tunks:)</p>

Match Report

A great effort in the field last week to restrict WL to 9/124 was undermined by a somewhat erratic display with the bat that saw us dismissed for a timid 55 today. WL did a superb job in the field and successfully coaxed our batsmen to self destruct in the pursuit of a modest total.

Well done to Bailey for his 2/21 off 8 overs and a great effort by Michael - 1/7 off 8 overs. Congratulations to a number of other wicket takers. Our general fielding ability has improved and we executed 2 good run outs - Josh D and Max combining for the first and Shubham firing into Yash, our keeper, for the second. Lots of catches taken including an impressive diving effort by Haydon at first slip off the bowling of Bailey.

Well done boys for a valiant attempt. We look forward to a better batting effort in future rounds.

Unfortunately we had a bad morning after choosing to bat in the first innings. 56 Runs were not enough. However after that disappointment the team did a great job with the bowling and fielding to have PH out for 127 runs. When sent in to bat for the second innings we showed what we can do by batting the day out finishing at 6/83 and holding off an outright defeat. Special mentions for Joel who bowled 8 overs 1 for 1, and for Michael who scored an undefeated 37 in the second innings.

Match Report

A much improved early bowling effort against the premiers from last year saw us have the Babas at 3 for 37 off 26 overs shortly after the drinks break. A mini recovery by the 4th wicket pair and then a re-energised bowling and fielding effort kept them to an overall score of 9 for 114 off 58 overs with an early start the second day to get 2 extra overs in.

Our best bowler was Liam Gillies with 3 for 7 off 9 overs. Patrick also bowled a good spell of leg spinners to claim the top scorers. His figures were 2 for 20 off 9 overs. Other wicket takers were Nicholas Paton, Varun, Will and Nathan. Generally a much better line and length being bowled than had been the case in our earlier games so good to see some improvement as we have been working on this at training. Noticeably the batting opposition were less aggressive than our other opponents due to our improved accuracy.

This was a very gettable score but we were quickly 3 for 10. We never got on top of the Hills attack and let their leg spinner dictate terms rather than giving him something to think about. Two run outs, one off a dropped catch and the other off a caught no-ball didn't help our cause. Will was our best batsman and was going along nicely before being caught and bowled for 22. But we found ways to lose our wickets just as we were starting to build the partnerships required to get this total.

Final score: Hills Barbarians 9 for 114 beat Kings Langley 86 on first innings.

Thanks to Mark Paton for scoring this match.

Fielding points awarded to Varun 3 – good keeping display and energy in the field. Nicholas P 2 – chased hardest and accurate return throws. Liam 1 – Two catches and plenty of enthusiasm through the whole innings.

Match Report

After winning the toss, KLCC took to the field. Playing at Hazel Ryan Reserve is always a pleasure, and seems to have something special that brings the best out of cricket, and this game lived up to all expectations.

Baulkham Hills were off to a solid start; however the KLCC bowling soon found the mark, breaking through with some fine bowling by Tim “The Big O” and Hayden, and supported by the fielding. ‘The Professor’, Jarad ‘Hollywood’, Ben Pigeon” and James “Kwoka” all snared catches, and we saw some fine work by the glove man Eric ‘The Coaches Son” in difficult conditions contributed to an overall pleasing effort and had Baulkham Hills all out for 113. With only a short period of play remaining, KLCC entertained the middle and by the end of play found themselves in uncharted waters, being 3 for 15.

Week two was not the start we needed and we found ourselves 5-15 after the first 3 balls of the day. Pigeon steadied the ship with the Professor, with a partnership of 16, and another quick wicket which

paired the Big O with the Professor.

At 7 for 34 something special was needed to say the least, and something special was delivered by the Big O and the Professor. A partnership of 52, in which we witnessed some of the best cricket seen this season. The running between the wickets, calling, and shot selection saw the Professor's three cracking 4s in a row with a text book cover drive. The Big O's six 2's and magnificent on drive took the team to 86 before fatigue saw the Big O dismissed (22) and left the field to the applause of all.

Another quick wicket saw William "MJ" arrive to the wicket. MJ's defense saw the total climb 14 short of the target, which was remarkable when you consider the original position KLCC were in.

Not enough can be said about the Professors inning of 43 not out. The Professor stood tall as wickets fell around him. The mature inning was well above his age, and the same can be said about the Big O. The Professor was congratulated by a standing ovation by one and all. KLCC were still in with a chance, seeing MJ opening the second inning bowling attack, breaking through in the first over and supported by Jack 'Mr. Reliable' saw two fine catches by Hollywood and Pigeon, supported by some great fielding efforts by Daniel 'Sun' and Sunny 'Forrest' which was inspired by Larry's overall enthusiasm.

A lot will be taken out of this game and will only strengthen this teams hunger for all future games.

It is not often that a loss can almost be as good as a win, but that was the case in this game. Congratulations team.

Match Report

First game since round 2 due to holidays & a bye in round 3, we won the toss and elected to bat, a slow start with Jonathan and Janith opening, Janith the first to go with 3 runs, a small partnership with Ravin and then Jonathan got out for 10 runs, James followed soon after with 3 runs scored and we found ourselves 3 for 45, a 15 run partnership with Zac before Ravin was also out for 3 runs, Nathan (6runs) and Zac (17 runs) both fell on the score of 79 and suddenly we were looking at not getting a big score, we eventually were all out for 100 runs with Fletcher 9 runs and Briana 4 runs the only ones to score in this period.

We then bowled 13 overs with only one success that going to Zac we finished the day with the opposition 1 for 58 runs.

Day 2 quick wickets were the order of the day but this did not happen until Vikram (1 for 14) and Briana (1 for 5) came on and Rohan who bowled very well to be unlucky with 0 for 9 of his overs, we eventually brought back some of the opening bowlers to be met by brute force by one of the opposition batsman who had a mind set on quick runs, Nathan 2 for 36 and Fletcher 1 for 38 took wickets in this period but the damage had been done by the batsman who scored a very quick 101 runs, they then declared and put us

back in again hoping for an outright, but this did not happen as good inning by all who batted ,we finished with 5 for 117, main contributors were Janith 30 runs, Fletcher 28 runs and Nathan 40 not out, also a good little innings by Rohan 8 runs batting at no 3, so a loss on first innings was the result, a lot of work to be done at training in the next couple of weeks is on the menu, our next game against Pendle Hill Colts is a very important game isn't it team.

Match Report

Coming off the out right win of last match the team was confident of a good performance. AKA won the toss and we dismissed them in 23 overs for 70. Wicket takers were Joseph 3/1, Luv 2/6, Kush 2/9, David 2/26 and Owen 1/14. Catches were taken by Ali (2), Hayden (1), Luv (1) and Lucas (1). We were quickly brought back to earth being bowled out for 57 in 19 overs. At the close of day 1 AKA were 0/9 in there 2nd innings. With first innings points decided we had to attack day 2 to try and force an outright result in our favour. Day 2 commenced well with 3 early wickets but we were frustrated by a 54 run partnership for the 4th wicket. After drinks another clatter of wickets had AKA at 9/99 and we were really in with a chance but a good partnership of 31 saw us chasing and improbable 144 in 70 minutes. Wicket takers in AKA's 2nd dig were Jake 2/11, Luv 2/11, Qasim 2/15, Ali 2/19, Hayden 1/5 and Owen 1/10. Catches were taken by Anoj (2), Kush (1), Owen (1) and Lucas (1). The chase started badly with 2 wickets falling in the 2nd over. Lucas and Hayden (51) put on 62 but alas we were always going to run short of time. At the close we were 5/99 of 20 overs. Although we lost on 1st innings we had the better of day 2 and go into round 5 with plenty of confidence. Joseph's captaincy was great. He kept attacking fields and chased for an outright result. The team are to be congratulated for there attacking play and positive attitude.

KL won the toss and batted first. Brayden Griffiths (47) and Ash Thomas (98) batted beautifully together, making a partnership of 142. This enabled the rest of our batsmen to help the team make a big score. Luke De Sylva made 38 on our way to 249.

With runs on the board, we looked to attack and take some early wickets. Our opening bowlers, Jack Feeney, (2/2) and Nevin Arora (1/7) put the opposition on the back foot, making them 3/7 after 10 overs. Taylor Bills continued the attack, taking 3/4 off 3 overs. We had them all out for 75, so we sent them back in, Mitchell Apps dismissing their opener. There was not enough time for an outright, but overall a great team performance. Well done boys!

Match Report

To follow on from the previous good performance against the top team, the guys were keen to keep the momentum going against the team placed second at the time.

With Pat uncharacteristically out early, it was opener Nathan who took to the attack and chalked up another good score of 39 to continue his great season so far with the bat. He was ably assisted by Jason (31) and Luke (27) with most batsmen making a valuable contribution. At the end of play the guys had posted a very defendable 183.

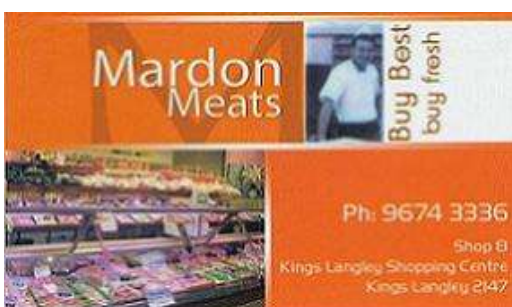

There was still work to do on day 2. In the right frame of mind, our fielding was spot on and bowling very good. Nathan and Jason backed up their batting performances with some great bowling resulting in figures of 3/5 (8 overs) and 3/8 (9 overs) respectively. A superb effort from all who rolled the arm over, pinning the Kellyville batsmen down with some very tight bowling. This assisted by competent and enthusiastic fielding saw the guys take a first innings win, dismissing Kellyville for 81. Another strong all round performance and a very good win.

Match Report

Coming up against Seven Hills is always a tough task, and over the past few seasons we haven't had much success, so we knew we were going to be in for a tough game. With a few players away we called upon Matthew Webster, Michael Turner and Abhi Sharma to fill in. A big thanks for filling in boys.

Unfortunately we lost the toss and Sevo elected to bat. Tets and Rocket opened the day with some fairly tight bowling, with the boys keeping the openers to 37 runs off the first 15 overs, not a bad start on a fairly good batting deck. Freney and Finch (0-27 off 6 overs) took over the attack and again it was Freney who came up with the goods, claiming the breakthrough in his 3rd over with a great catch by Abhi in slips. Dave continued to tie down the Sevo batsmen finishing with 2-26 off 11 overs. After a few warm-up overs from Owen we decided it was time for him to switch ends, which did just the trick, claiming his 1st wicket in his 9th over. Young Michael Turner made his A Grade bowling debut and bowled well finishing with 0-28 off 7 overs, unlucky not to get a wicket.

With Sevo at 3/134 and 26 overs remaining, we were looking at a big chase for the second week. From here Owen took over and proceeded to regularly take wickets, including Sevo's opening batsmen for 96. Tetley also tied down the batsmen at the other end until he pulled up with a hamstring injury (finishing 0-27 off 10.3 overs). Rocket took over and picked up a wicket, ending up with 1-53 off 13. But the man of the moment was Owen, his little offies bamboozling the batsmen finishing with 6-65 off 22 overs. A great effort restricting Sevo's last 26 overs to just 93 runs. Sevo ending the day on 9/227.

Day2: Having yet to chase a big score this season, we knew we would have to bat well. With Freney away on a bucks weekend, Abhi opened with Terence, who got us off to a cautious start until both were out in successive overs, the score 2/15. Brent and Finchie came to the crease, and the pair put on a 53 run partnership, both players batting well until Brent was out caught for 18. With the score at 3/68, Matt joined Finchie and the pair frustrated Sevo with some great shots and good running between the wickets. Both boys putting on half centuries in a 123 run 4th wicket partnership before Matt was out for 56. Finchie followed soon after for his highest score in A Grade, a solid 82 which included 5 fours and 3 big sixes. With the score at 5/197 and the team needing 31 runs from the last 10 overs, Sean and Rocket came to the crease and made easy work of the chase, some great boundaries seeing the boys get the total with 5 overs to spare. Rocket finishing on 15no, Sean 18no. KL finishing at 5/228 off 65 overs.

Another great win which sees us 9 points clear at the top of the ladder. If we keep up these great batting and bowling performances, as well as perfecting our fielding and take all our chances, we will continue to be very hard to beat. Let's keep up this form lads! And Tets get your hammy better soon!

Match Report

The old bloke lost the toss for the third consecutive time and consequently we found ourselves fielding in warm conditions.

Our opening bowlers Shay and JC didn't seem to mind as they quickly had the Pacific Oceans (PO) players under pressure with some accurate and disciplined bowling. Wickets fell regularly as Shay's pace was proving a real handful for all PO batsman. Eventually we bowled them out for 127 with Shay taking a magnificent 6/29 of 12 overs; JC chimed in with 3/30.

The KL innings began with all guns blazing as Bruce and Ken took the score to 0/53 in quick time. We then experienced a middle order collapse after Bruce got out for 30, we went from 0/53 to 6/93 with Steve, Ant, Gav, Stork and Shay all out cheaply.

(I promised Stork I wouldn't mention his golden duck - so I won't). At the end of day one we still required 18 runs to win with 4 wickets in hand. Day 2 saw Ken and JC knock off the required runs quickly with Ken making a very solid 78 to see us secure first innings points. The old bloke's young bloke (Luke) came to the crease and hit the first 6 off his life to bring Gav to his feet and bursting with pride. Young Max Brinnand also got a chance to bat but didn't trouble the scorers on this occasion, whilst Tunnel made a sensational 0 not out. PO then batted for a second time and declared at 8/137 with Hayden Baker bowling his best spell of the year to take 3/47 off 14 great overs. KL then had 50 mins to chase down 120

runs for an unlikely outright victory.

Steve and Gav opened the innings and quickly got into stride by smashing the PO bowlers all over the park. Steve unfortunately retired hurt on 21 with an old mans injury (calf) and Shay joined Gav at the crease. Needing to score at more than a run a ball Gav and Shay successfully chased down the required runs with 3 overs to spare to secure an amazing outright victory. Shay finished 17 not out whilst the Old Bloke finally showed some batting form to hit 80 not out.

Great win boys!

Match Report

Well after 3 weeks without cricket I was certainly keen to get back into it and we won the toss and decided to have a bat as there were still people who hadn't had a bat and we were in to Round4 for the season! A bit of pre-match drama with Tyler arriving with stitches in his head - thanks to some of the under 16s (Lachlan and Andrew) for filling in for us this game. Baulko had a strong bowling line up and we were soon in trouble at 3/11. Jacob was caught by a screamer in the slips, Mitch unluckily hooked straight to fine leg and Naren was bowled by a good ball also. Mal started the counter attack and made a quick fire 19 before being caught at fly slip which was deliberately placed there - d'oh! Mark unfortunately followed next ball and KL was struggling at 5/36. Lachlan batted very sensibly and with Zane, who was watching all this carnage from the other end, they set about the rescue mission. All the lower order chipped in well and Zane, with a bit of luck, made his way to a fine 46 before unfortunately getting out just short of what would have been a well deserved 50. Lachlan made a solid 12, Richard 11 and Esty was unbeaten on 9. 120 was probably a bit short of what we needed but was a good recovery from 5/36.

Baulko started their innings dramatically with Mal deciding to take the new ball with Mark and with his first ball trapping the opener lbw. Then, in his next over, he latched onto a great caught and bowled, low down 2/11 and we were making life tricky for our opposition. We kept the pressure on but just could not get the breakthrough until Lachlan made a key breakthrough of the other opener well caught by Mark at slip, In hindsight the key partnership now occurred taking Baulko to 3/77 before Daniel got his man, brilliantly caught on the rebound by Richard as keeper. The day ended in controversy when Mark, brought back for another burst trapped the skipper lbw in the last over of the day. To say their captain was not impressed was an understatement - he swore at the umpire and made his displeasure known. Not a good example and we had a discussion as a team about that at day's end. To his credit, the guy apologised later but it was still a big finish to the day.

Baulko started day 2 needing 30 more runs - we needed 5 wickets. Who would prevail? Daniel and Tyler opened and bowled well. Daniel got the breakthrough when a miscued hook looked like it would fall safely until Mal again defied age to dive full length and pull off another fine catch. Baulko passed our score but then Richard in a fine spell of good pace bowling ripped through the lower order to finish with 3/11. Mal even got a catch at slip to give him 3 for the innings! Baulko led by 39 and KL went in again. Another disastrous start - 2/0 and then 4/18 before Esty and Naren batted very determinedly and increasingly, more confidently. They saved any possibility of an outright result and Baulko called it off at 5pm. We finished 4/76 with Esty 28 no (not dismissed for the whole match) and Naren 30no with some fine shots. A fairly well contested game - Baulko just had the edge throughout but well done anyway guys. Pendle Hill next time. Keep firing!

With the Captain missing for this game Shane stepped up to take control. A lot of players get nervous when they take on such a responsibility, but not Shane, he was so excited he seemed to grow another leg. We won the toss and decided to bat. An early wicket put us on the back foot and Steve Barnett and Craig Pickett dug in for 10 overs for 20 runs before falling in quick succession. Shane was determined to lead by example and played some magnificent shots to compile 21. Erron, Jamie and Daniel Mc tried hard and got off to a start, but couldn't go on with it. The tail couldn't stick around and we were all out for 93.

The Guildford openers got off to a good start before Daniel Mc had them both caught behind. We let them build partnerships and only took wickets spasmodically. It wasn't long before they went past our score on the first day. As the light was fading Steve Barnett picked up a double and Daniel Mc snared 2 more before stumps was called. Day 2 and we were hoping to clean up the tale, but nothing was going our way. It took 2 hours and 75 runs to pick up our first wicket on day 2 with Daniel Mc bagging a 5 for. The last wicket fell and we were 126 runs behind. Some great keeping was on display by Nathan with 4 catches and a stumping. Steve Barnett also took 2 excellent catches and Andrew got a run out.

Our chase to save the match didn't start well with 3 wickets falling in the first few overs for only 1 bye. Nothing went our way and we were bundled out for 53. It was just one of those matches where nothing was going our way and hopefully, this was the bad match we had to have in the season out of the way.
