Match Report

Week one, we lost the toss and were sent in to bat. The extra bounce in the pitch and a good line and length from their bowlers had us in trouble from the start, we lost six wickets caught and need to learn from this, not try to hit every ball and leave balls we can't control. Aryan (9) not out showed great patience, something we all needed more of because we only lasted 40 overs. Gabriel was next best with (8) also showing respect for his wicket. Week two, we created some good chances in the first session and could have had them 5 or 6 down but it wasn't to be, still bowling them out for 120 was a really good effort from everyone. Best bowling this week Nathan 2 for 6 off 8 overs (including 6 maidens), Dylan B 2 for 14 off 4, Jarrod 1 for 7 off 4, Dylan M 1 for 6 off 4 and with Gabriel, Aryan and Todd all chipping in with a wicket each!

Match Report

Once again proving we can bowl and field well when we need to, we succumbed not once, but twice with the bat this round. As always there were some bright spots. Michael hit a sprightly 13 with the bat in our first innings, Jarryd and Bailey both took two excellent wickets, plus there was a great direct hit run out by Liam and a screamer of a catch by Haydon in the outfield.

Unfortunately we could not match the Crusaders who needed to only bat once to beat us and skittled us out for 52 and then 33. Hopefully we can re-group and start to show our capability once again. Thanks to all the supportive parents once more.

Match Report

This is a hard match report to write because we were totally outplayed in every department by the new side to Division 1 who are one of competition leaders this year. Seems like the whole comp has been turned upside down compared to last year with the grand finalists Baulkham Hills and Hills Barbarians from the last 2 years also struggling against the three strong and confident sides in Pendle Hill, Wenty Leagues and Rouse Hill.

Our bowling line and length was much improved in this game but unfortunately our fielding let us down badly. The opposition coach counted 24 chances being missed including run outs and other mess ups. Whether this figure is totally accurate is not the main point. Everyone agreed that extra fielding homework for the team was in order and this was decided and agreed by the team after the match.

The openers who each scored 73 had more than a seasons worth of innings by my count. This gave their batting an air of invincibility that allowed them to tee off and accelerate the run rate. The final score of 5 for 238 could have been much worse but for a tidy last 10 overs which only cost us 25 runs when they were looking to push on but held back by good second spells by Liam, Nicholas P and Will Reardon.

Reardo was our best bowler with 2/20 off 8. Other wicket takers were Daniel P and Nick C.

In our batting effort we were never able to get momentum going after the loss of an early wicket. Liam and Ethan put together a solid partnership of 46 for the second wicket but tight bowling meant we were getting behind our target as the overs ticked away. Our goal was to get into a 20/20 match position for the last hour with enough wickets to have a crack at their score.

For the second week in a row we had most batsmen make decent starts but then find a way to get out. Top scorers were Blake (20), Daniel D (18), Ethan (19), Liam (16). Now time to eliminate the get out shot and push on for a big score. The tail batted with determination when the run chase was called off to keep them out there for the full quota.

Final score Pendle Hill 5 for 238 beat Kings Langley 8 for 131 on first innings.

Thanks to Adam Chymiak for scoring this match.

Fielding points :

3 to Robert W -kept the whole innings and only conceded 2 byes (fantastic effort).

2 to Blake – many good stops in the outfield, 1 catch.

1 to Nicholas P- kept working hard and took a sharp chance in slips.

Match Report

After the first weeks play being washed out due to the sprinklers being left on, the game reverted to a limited over match of 31 overs.

Skipper Jack won the toss and KLCC elected to take the field. Tim "Big O" made use of the new pill starting with a maiden and "Larry" with a wicket maiden. The team kept it tight with some accurate bowling by Lachlan "The Professor" and Will "MJ", however Pendle Hill to their credit, broke the shackles and were hard to shut down until Ben "Pigeon's" rocket like throw found the keepers gloves to secure a run out. This was then followed up with a great stumping by Eric "Coaches Son" from a fine piece of off spin by the "Professor". This reeled in the run rate, which was kept under control by Hayden's second spell wicket and Daniel "The Destroyer's" two wicket haul. Williams "MJ" and Jack "Mr Reliable" and "Kwokas" tight bowling saw the innings out.

KLCC opened with a strong partnership netting a stand of 25 with Jarad and Kwoka, the Kwok was also involved in another partnership of 20 before falling for 25. Hayden G stepped up the run rate with a cracking boundary.

The next partnership of 19 by Pigeon and Larry saw the run rate neck and neck, but this partnership saw KLCC take the lead and for a moment, forging ahead with Big O's quick-fired 15. Eric took up the challenge and was denied two boundaries by some great fielding. Lachlan created the situation of a run a ball, The Professor, MJ, Mr Reliable and the Destroyer had no option but to take risks and made sacrifices. Alas, the KLCC fell short by 8 runs.

This was a great game of cricket, each team member contributed. As a coach, I was very proud, along with our team officials and parents.

Congratulations boys for playing cricket in the right spirit. You should be very proud of yourselves.

A special thanks to Sunny, who filled in for the 14B's. Thanks mate; we will see you at this week's game.

Match Report

Another convincing win on the back of a strong batting performance. Winning the toss and batting, we made the most of the hot weather to post 7-233. James finally showed us what he is capable of, with an impressive innings of 57 not out. Fletcher played with measured aggression to reach 47, and was unlucky to miss out on a half century. Jono was once again solid at the top of the order with a patient 35. Alongside these strong individual performances, it's worth mentioning that we had three 50-run partnerships, for the 2nd, 4th and 8th wickets. Big totals are built by partnerships!

Missing their two best batsmen, AKA Crusaders struggled against some aggressive bowling and were bundled out for 61 in their first innings. Zac (2-15) did the early damage, followed by Rohan (2-14), whilst James (3-7) finished the innings with 2 wickets on consecutive balls. Sharp fielding by Nathan and Janith produced two run outs.

We had a good chance to win outright, but were denied due to some resolute batting by AKA in their second innings. Fletcher, Zac, Ravin and Jordan chipped in with one wicket each, but our cause wasn't helped by too much short, wayward bowling and too many dropped catches.

We're improving with every match and are getting closer to that elusive outright win. With a more focused approach to training and more intensity in the field, we'll make it happen!

Match Report

Day one saw Joseph win the toss and a strong batting display ending with the team 9/206. Jake (62) and Joseph (60) put on 90 for the third wicket. Hayden (22) also batted well. Day 2 saw a couple of early wickets but the Kellyville no: 3 and 4 put on a partnership of 142. At 5/170 we were still in with a chance but the Kellyville late order batted well and saw them to victory, finishing the day at 7/220. Sunny who came up from the 13/3's took 4/7 and Ali took 3/32. Catches were taken by Joseph (1) and Luv (1). In the end we were beaten by a better team. I suspect some of us thought we had the game in the bag after day 1 and there was a lack of intensity in the bowling and fielding performance throughout day 2. Our over rate was poor and the team must remember that a poor over rate effects our ability to take drinks breaks. On a positive note we conceded only 15 wides and 4 no balls in 46 overs which is a big improvement and we didn't drop any catches. We need to increase our enthusiasm in the field. A big thank you to Sunny from the 13/3's and his coach, Scott Reibelt for helping us out.

<p>KL won the toss and elected to bat on a sunny morning at Second Ponds. Our openers, Taylor Bills (39) and Chris Jenkin (53) got us off to a fantastic start, with a partnership of 62. Our middle order contributed well, with Jack Feeney scoring 31 and Mark Bergin (in his first match of the season) making 41 no. We had to finish our innings on day 2 with 3 overs still to face. Mark Bergin and Nikhil Krishnan (22 no) took full advantage of these overs, pushing our score to 248.</p> <p>Rouse Hill Rams opened with Luke Brant who made a fine innings of 56, however KL got on top with some good bowling spells, Jack Feeney (2/3) and Nikhil Krishnan (2/5) and Mitchell Apps 2/18, reducing their score to 143 after 52 overs. All in all, we had too many runs on the board for them to chase.</p>

<u>Match Report</u>			
<p>Day 1 was a scorcher with our guys in the field. It was hard work for all, including Guildford's opener Mark Paterson-Hill who was brilliant displaying all the necessary shots to bat through the team and finish the innings on 119no. While generally our fielding was good, heat and fatigue played a part as we helped Mark along a bit, dropping him in the 30s and again in the 70s. This paved the way for a team score of 184, possibly 80 or so more than we really should have been chasing. With only one over to face, the inevitable happened, and we were down one wicket after the 6th and last ball of the day.</p> <p>Day 2, a much nicer day for cricket. We started solidly before two quick wickets saw Luke and Nathan form a very good partnership with Luke racing to 49 when drinks were taken. Luke would have been full of nerves on 49 at the non-striker's end as he watched a freakish delivery clip the top of Nathan's bail dislodging it the first ball after drinks. Tim strolled out ensuring he was in the middle to witness Luke get his first halfa in style with a great pull for four. Another single to Luke before being caught for a superb 54. From there the wickets fell steadily until the last two Pat and Alex decided they would get the runs together. After a partnership of 26, they were looking to pull one out of the bag. Unfortunately, with some 16 overs up the sleeve and only 25 runs to get, the last wicket fell with Guildford taking the win. We will likely look back on this one as the one that got away.</p>

Match Report

Once again losing the toss we went put in the field on a very warm day. This didn't bother Tets or Rocket who had the batsmen tied down at both ends. Rocket picking up the 1st 2 wickets and finished with 2/40 off 12. With Gareth coming on to bowl he set his field brilliantly having their no.4 batsmen caught at leg slip (if only he meant it...) to have Baulko on the ropes at 3/34. A fiery spell by Finchie saw him bowl a very good line without any success. A mini fight back by Baulko saw them get to 77 before the next wicket thanks to some tight bowling by Tets and a great catch by Paul in slips. Tets finished with 1/26 off 18. (Might I add he only conceded 3 runs off his first 9 overs!!). From here Owen took over and picked up 2 wickets to have Baulko in big trouble at 6/91. However again we let the tail wag, a 7th wicket partnership of 83 saw Baulko right back into the came, before Owen picked up a runout and another couple of wickets to finish with 4/39 off 16. Paul chipping in at the end to finish with 1/10 off 4 overs. Baulkham Hills posting a solid 201 on a dodgy batting wicket.

Day 2 saw us get off to a cautious start however both Dave and Terence doing well to see off the openers and get us to 26 before Dave was out LBW for 8. Losing Paul second ball to a great catch at 1st slip saw us at 2/26. Terence batted well for his 22 before trying to do his "special" and was clean bowled. At 3/38 we had some work to do. Jason joined Brent and the pair put on 34 in tough conditions with Baulkham Hills bowling very tight. Brent out for 29 to a dubious LBW decision. And that's about where we'll finish I think. Let's just sum up and say in one of the most disappointing 28 minutes of cricket I've witnessed we managed to lose 7/19 in 7 overs, all out for 91. Game, set, match!

Back on it next week lads, everyone knows what they have to do!!!

Match Report

Once again the skipper lost the toss, with NSW Tamils having no hesitation in electing to bat in very hot conditions. JC continued his recent good form in taking the first 4 wickets to fall (would have been more if the Old Bloke could catch). Shay, Hayden and Ken all chimed in to take a wicket each, whilst Gav once again mopped up the tail with 3 late wickets. NSW Tamils were eventually bowled out for 178. With about 8 overs to face to complete the days play Ken was joined by yet another opening batting partner as Flash made a welcome return to the team, unfortunately after playing a magnificent shot of the first ball he faced he was out very next ball. Kenny followed not long after to leave us 2/32 at the end of day 1.

Day 2 saw Hayden out very quickly, however Shane was playing his best ever innings for the team and soon reached his maiden half century much to the delight of his team mates. The job was still ahead of us as Ant was bowled for a duck and Paul (23) and Shane (50) were soon joined by Stork and Shay all back in the sheds. The Old Bloke got away with a couple and quickly raced to 47 before playing one on to his stumps. This left us still 12 runs short and 9 wickets down. Little did we know that JC and Tunnel had everything under control. Both batted superbly to post an unbeaten 10th wicket stand of 35 to ensure a very hard fought win. Great stuff guys

Match Report

Round 6 saw us take on AKA at home. It was a hot day and we were hopeful of winning the toss and batting, but it wasn't to be. However, we bowled and fielded really well. After a wayward 1st over, Richard and Tyler bowled well with the new ball. Richard took 1/20 (5 overs) and Tyler got back amongst the wickets with 2/23 (6 overs). Lachlan took a good catch at slip from a skied ball and Mitch got a catch behind the stumps. AKA were 3/38 and we had made a good first hour. Daniel and Mal then took up the bowling and continued the pressure. Daniel secured an lbw and Mal proceeded to clean bowl 4 batsmen! Another catch at slip by Lachlan off Daniel saw AKA down and almost out at 9/55 Daniel 2/10 (7 overs) and his old man 4/14 (4 overs). Lachlan came on after one bad over from Mal and took the last wicket to leave AKA all out for 70. So much for the heat! Well done guys.

With some guys heading off to schoolies next week, we changed around the batting order. After losing Jake early for 0, Richard and Mitch had a good partnership of 40 until Richard was out caught behind for 21. AKAs bowlers were steady and trying to keep things tight. When Brendan went first ball and then Mitch miscued to mid off, suddenly KL was 4/45 and looking shaky. Naren and Daniel then had a wonderful partnership. They took their time and gradually developed their shot making. The only way they looked like getting out was run out - there were a couple of close calls. Naren made a fine 51 before being dismissed with the score at 5/136. With half an hour to go until stumps Mal went out to bat with Daniel. In a great piece of scriptwriting Daniel needed 3 off the last over of the day to get his first ever 50 and did so, much to his proud Dad's delight. KL finished the first week in a very strong position - 5/174. We can obviously try for the outright next week, although we will be down 3 main bowlers.

The second week was probably even hotter, with a hot desert like wind howling. Unfortunately, Lachlan who came out to replace Daniel, was out 1st ball; however, Esty (not out man) combined with Mal in a great partnership until the drinks break whereupon we declared at 7/269 basically 200 in front. Mal had made 75 and Esty 26 in a good partnership of 95. Could we get AKA out in 3 and a half hours? Jake and Lachlan started proceedings and Lachlan picked up an early lbw. Then, the batsmen were aggressive and, combined with us dropping a few catches, they took the score to 56. Mal replaced Jake and with his first ball cleaned bowled the dangerous hitter - what a start! He also removed the other hitter later lbw to leave AKA 3/76. I should say AKA were 3 players short, which was a significant advantage to us - we only had to get 4 more wickets now, but we down to our last hour. Ma kept rotating the bowlers - Zane with spin, Naren with spin, Mitchy, Esty and back to Jake and Lachlan. The batsmen were digging in and batting with a lot of resolve. Right on the drinks break Lachy made the breakthrough thanks to a catch at mid off by Jake. AKA 4/117 - 3 wickets to get! Mal tried another burst but it was Zane who made the play of the day. Having enticed the batsman to sky a ball, he ran all the way to mid wicket from his bowling position to take a great caught and bowled on the run. 5/160 and Naren then came on with his pace (I have been wanting him to bowl his pace for a while) and cleaned up the final 2 batsmen bowled. an outright win with 10 minutes to spare. Again, the thing I like about our team is that we hang in there and chip away - if one looks at our team statistics, everyone is contributing, Wickets are spread around and different players make runs too. Well done guys - a hard earned outright. Hats off to AKA - they played the match in tremendous attitude and spirit and fought hard, even when up against it. Bowling for the 2nd innings - Lachlan 2/27 (9 overs), Mal 2/29 (9 overs), Naren 2/12 (6 overs) and Zane 1/21 (6 overs).

Match Report

Losing the toss and having to field on a stinking hot Saturday was not much fun. The bowlers were given short spells to conserve their energy. Jamie picked up an early wicket in the first over, but with the hot dry air and a hard Allen Robertson surface, it became hard work. Even blocks were racing away to the boundary. The Pendle Hill batters were scoring steadily and we were only getting wickets periodically. With the fourth wicket resisting all our efforts and heading towards a 100 run partnership, Andrew came on to break them up and Jamie quickly took another. The other side dug in again to put on another 50 when Daniel came on for his third spell and quickly took 4 wickets in 4 overs with some beautiful swing bowling with the, now, old ball. Macca also provided some light entertainment with his fielding in the final overs, but was still able to pick up a wicket.

We went into bat and also lost a wicket in the first over, but Shane and Erron displayed some solid batting, and took some body blows, to be 1 for 38 by the end of play on day 1. We came back the next week and lost Shane early. Jamie joined Erron for a 27 run partnership before Jamie got out and Erron followed shortly after on 36. Erron showed some good stoke play with 3 sixes and 3 fours. We then went into a spiral losing 5 wickets for 25 runs. Andrew came in at number 10 to join Steve Scrimshaw, who was determined to show some leadership, to put together a 61 run partnership before Steve was bowled on 41. We were all out for 152 and Pendle Hill decided to take a vote on whether they would play on for an outright. The yes' got it with 7 votes to 5, so we had to pad up for a second dig.

Our strategy for defence didn't last long and wickets fell consistently with only Erron and Steve showing some fight. A lesson was learnt by all when Jamie decided to come out to bat without his box and then let everyone know by shouted out for someone to bring it out at the end of the over. The bowler had other ideas and directed one straight at his mid section. All Jamie could do was think about self preservation and as he jumped back towards the leg side forgot to bring his bat with him and edged it to the keeper. Macca and Shane joined for the last wicket to try and stave off time. They came within 10 runs and 10 minutes of saving it, but fell agonisingly close.
