<u>Match Report</u>			
<p>Big game against top of the table Barbars in the first of our one-dayers. We won the toss (can you believe it???) and of course chose to bat. A different opening combination with Terence and Paul saw us get to a fairly quick start 0-31 off 7 overs. However losing both our openers Terence for 12 and Paul for 17 one after the other we were 2/33. With Brent and Finchie at the crease, a mix up in running between wickets saw Brent runout with the score on 51. Matt joined Finchie and some tight bowling saw Barbars tie us down and we were 3/60 after 20 overs. Needing to lift the run rate we but on 30 runs in the 1st 5 overs after drinks and saw us reach 91 before another mix-up saw Matt run-out for 26, KL 4/91. With 13 overs remaining and 6 wickets and hand, we tried to lift the run rate, However this back-fired big time, losing regular wickets almost every over (including Finchie for a patient 35, well batted). Our last 7 wickets falling for 33, all out for 124 in 37 overs.</p> <p>With Tets still out injured and Rocket away on holidays, we tried a new opening combination with Finchie and Gareth. However with not many runs to play with unfortunately none of our bowlers were able to have much success, Owen picking up the only wicket, finishing with 1/27 off 7 overs. Barbars reaching the runs with the loss of only one wicket in 25 overs. With 2 of our bowlers out, it was always going to be a difficult game to win. We definitely were going to need to make a big score with the bat; unfortunately our batsmen did not perform. A big thankyou to Matthew Webster for filling in this game.</p>

Match Report

A brief report as the regular skipper Mal did not play. Back to our first opponents of the year Greystanes, this time at their home ground. Greystanes won the toss and elected to bat. Their openers put on a good 54 opening partnership before Jake made the important breakthrough. KL then did really well, reducing Greystanes to 5/79 and right on top. Newcomer from the juniors M Apps did well taking 2 wickets for us and Jake picked up another. A recovery to 114 before Mitchy chimed in with 2 quick wickets. 7/114 but then another deadly partnership which looked like it had turned the game Greystanes way - they finished at 7/218 from their 42 overs - KL best bowling J Lewis 2/28 M Apps 2/35 and Mitch 2/10.

Our chase started off OK - opening partnership of 22 before Mitch was out for 16. Then a bad collapse which saw us at 5/68 after 17 overs. Tyler and Naren then had a good partnership, taking the score to 110, but then at 7/110 it was looking tough. I wish I had been there to witness what happened next. I think it is safe to say this was the great escape. There must have been some awesome batting, as Naren cut loose to score a season high 75 but even when he was out, KL still required 50 runs off 7 overs and we were down to our last pair as we were one player short. Enter Stef and Jake - what a combo. Stef in particular has had a quiet season, impeded by injury but he produced a wonderful innings and along with Jake took us to a wonderful victory. Well done guys - great effort! Stef was 39 not out and Jake 33 not out and KL passed the score with an over to spare! We can enjoy our Christmas break with those memories and be ready to come again hard at comp leaders Rouse Hill on 9 January GO KINGS!!!
