<b><u>Match Report</u></b>			
<p>Merry Christmas and Happy New Year to all. With everyone having a couple of weeks off, we were ready to bounce back after a big loss to Barbars before Christmas.</p> <p>Winning the toss, we elected to bat. Terence and Dave got us off to a good start, before a cautious Terence was out for 7 with the score on 34 in the 12 over. Losing Finchie 2nd ball, Brent joined Dave and took the score to 64 before Dave was out for a patient 26 in the 21st over. Once again looking to lift the run-rate, we yet again lost regular wickets with both Matt K and Matt G out for ducks. Losing Brent for 31 saw us as 6/82, Rocket joined Houseman and began to restore some order before Rocket was out for 10. From here another parade of wickets saw us lose our last 4 wickets for 8 runs, KL disappointingly again all out for 106 in the 34th over...</p> <p>With not many runs on the board, we went on an all out attack. Greystanes however replied in the same manner taking to Rocket and Finchie putting on 37 in the 1st 5 overs. With not many runs to play with we spread the bowling around and it was Andrew Houseman who picked up the 1st wicket with the score on 65 in the 16th over. We were able to slow down the scoring and pick up some wickets after drinks (including a catch of the season to Rocket), however we simply didn't have enough runs on the board, Greystanes passing our score 4 wickets down in the 31st over. Rocket finishing with 2/33 off 7, Houseman 1/9 off 4, Gareth bowled very well troubling the batsmen and finishing with 1/15 off 6 and Owen finishing with a tight 0/19 off 8 overs.</p> <p>In our past two games our batting has failed us, being bowled out with 5 overs left in the innings. The loss sees us drop down into 4th position. We really need to lift our batting and improve our fielding if we want to get back and playing at our best. A must win game against Wenty Leagues next week.</p>

### Match Report

Round 9 saw us up against the undefeated competition leaders Rouse Hill. Having arrived at Paterson we discovered that the pitch had been vandalised. We could have bowled just from one end but Rouse Hill found that their Centenary Ground was available so we all hiked out there. We agreed on a 35 over a side game due to the delayed start and KL won the toss. I decided to bat as we did not get to bat against Rouse Hill last match. Rouse Hill kept it pretty tight throughout and we did struggle apart from Naren who is now our most reliable batsman. A great innings of application and crisp shots he finished 64 not out while wickers fell all around him. 104 was not a big target but it was something. Daniel and Braedon (from the 16s) opened the bowling and did well sticking to our plan of bowling on the off side and trying to keep a plug on the runs. Daniel picked up the opening wicket but then Rouse Hill's big hitter came in and started to dominate. After 12 overs they were 1/54 and looking pretty strong. Immediately after drinks I threw the ball to Naren (who else?) and he promptly bowled the big hitter. He continued a great spell which also saw him remove another danger man. By the next drinks break Rouse Hill were 6/87 and we were hanging in there well. Eventually Rouse Hill passed our score with 4 wickets in hand. Again though I was pleased with how we didn't give up and kept at it right until the end. Naren 3/12 (5), Daniel 2/15 (7) and Mal 1/26 (7) were the wicket takers. A couple of dropped catches, especially from skipper Mal early on proved costly. Thanks to Dave McNamara for helping us out and fielding - he certainly got plenty to do and had a bruise to show for it!

So probably an expected result. Next week sees us umpire (thanks to those doing this) before we play Baulko (another top 4 side) away from home. Time to really step up guys for this game - it was pretty close last time.
